

Adult Individual Sign Ups

SISC has changed the way individuals can sign up to play either coed or men's soccer here at the center. We continue to find ways to save adults money and still have a chance to play in competitive leagues.

Rather than creating a new house team, we provide the many teams in our leagues with your information and you will get contacted by the first team to act. Because we have so many adult teams playing at our facility, you will most likely get picked up immediately at the beginning of each session as teams are always looking for an extra player or two to fill out their rosters. By doing this, your cost as an individual will be reduced significantly compared to the old system.

If you are an individual and would like to sign up for a team, here is what you do. Please send an email to klperrigo7@aol.com with your name and contact information and which league you would like to play in (coed or men). Then give a brief description of your skill level.

If you have any other questions, please give the center a call at 451-1800.
