### Medical Policy

In the event of illness, campers should report to their coach or counselor. If treatment or hospitalization is required the camper's family will be responsible for all charges and services. Pair-A-Goals Soccer Camp does not provide medical insurance for campers. We strongly recommend that all campers have their own insurance. Your registration will not be processed without the completed medical consent form below. Please one form per child.

### Medical Consent

I verify that my child has been examined by a licensed physician and is able to participate in the 2008 Pair-A-Goals Soccer Camp.

# Camp Director

**Kevin Perrigo**  
**Head Clinician**  
**Syracuse Indoor Sports Center**  
**USSF Nationally Licensed**

With continuing success throughout his coaching career, Perrigo brings over 15 years of experience to the Pair-A-Goals Soccer Camp. He is a graduate of Keuka College where he played and captained the men's soccer team.

In 2006, Perrigo returned to coaching club soccer and led the Syracuse F.C. Vortex to three State Cup titles. Because of the move back to club soccer, Perrigo has turned his efforts in a different direction by purchasing and running the Syracuse Indoor Sports Center. Perrigo wants to give back to the community that he grew up in and has made coaching youth soccer players his final career move.

In his first season at Oswego High School, Perrigo led the Buccaneer's to a divisional title compiling a record of 12-1-4 during the regular season. In his second season at Oswego, Perrigo led his team to a Sectional title and it was the first time the team had gone to the State Championships since 1985.

During his one year at Binghamton University, Perrigo helped steer the Bearcats to post-season in just their first season in Division I competition, compiling a record of 12-4-2 during the regular season.

Before coming to Binghamton, Perrigo spent two years at Niagara University. While at Niagara, Perrigo proved his place was at the Division I level as he helped lead the Purple Eagles to only their 2nd ever post season berth in school history.

Perrigo's coaching career began with the Salt City Surge, a powerhouse amongst club teams throughout the country. The Surge won over 100 tournaments indoor and outdoor, including 6 state championships.

In addition to directing and coaching numerous camps and clinics throughout New York State, Perrigo coached in the New York West Olympic Development Program, serving as head coach for the Under-13 to Under-19 girls' teams. Perrigo led the Under-13 team to a perfect record in Regional play and took the Under-17 team to the Regional finals two times. Perrigo also helped to rebuild the U-19 team and was named ODP Coach of the Year for his efforts.

## Camp Staff:

**Keith Perrigo** William Smith College  
**Kristin Perrigo** William Smith College  
**Courtney Spencer** Syracuse University

All Assistant Coaches Will Be College All-Stars
